"The above list provides information of previous palm oil suppliers or oil palm growers for which we have issued a suspension or a no-buy notification for supply to VVF's supply chain due to noncompliance we have found or grievances brought to our attention. Please note that this list includes mills that are not currently or have never been in the direct or indirect (based on data provided by our suppliers) supply chain of VVF. We require our suppliers not to purchase palm oil, palm kernel oil, and their derivatives from such suppliers on the "suspension" and "no-buy" list. We are working with our suppliers to ensure that these companies and mills (at a group level) are not part of VVF's supply chain.

Disclaimer: The objective of this palm oil mill list is to increase transparency and communication to our suppliers and stakeholders. The disclosed palm oil mill data and group linkages are correct to the best of VVF's knowledge at the time of publication. Although we have made considerable effort to validate the disclosed data, we cannot guarantee its full accuracy and therefore welcome any corrections that may be needed."
